DESCRIPTION

ARCACLEAN N.A.S is a modern concept for drycleaning. It offers a safer and high quality solution to perchloroethylene.

Arcaclean has been developed as a long-term solution, safe for use both for the user and the environment.

ARCACLEAN is a patented formulation of solvents specifically designed for the drycleaning industry.

The degreasing qualities of ARCACLEAN are comparable to perchloroethylene and even superior on hydrophilic staining due to the solvent’s compatibility with water.

Arcaclean leaves textiles perfectly clean, odourless, soft and easy to iron.

Properties:
- High solvent power (Kauri butanol index 78)
- Wide degreasing and cleaning range (hydrosoluble/greasy stains)
- Water-miscible
- Virtually odorless
- Non toxic, non hazardous, non irritant
- Non flammable (Fp 84°C)
- Stable chemical formulation
- Easily biodegradable

The volatility of ARCACLEAN allows cycle times comparable to those when using common alternatives and the drying temperatures are far below the Flash point.

Thanks to its compatibility with water, there is virtually no risk of implosion or fire during distillation and drying.

ARCCLEAN N.A.S product range

Arcane Industries has developed a complete compatible range of products which offer top-quality drycleaning results:

- ARCACLEAN E: solvent additive
- ARCASPO: pre-brushing fluids and stain removers
- ARCABOOST: cleaning intensifiers
- ARCA-XTRA: waterproofing anti-stain

LIMITATIONS

ARCACLEAN will not function in machines made to work with perchloroethylene or in more recent hydrocarbon machines.

ARCACLEAN must be used in the machines specifically adapted to the system.

Do not use additives of any sort that are not part of the ARCACLEAN NAS product range.

PACKAGING

Pails: 5 Litres, 20 Litres
Drums: 200 Litres
Contact us if you require another packaging size.

SAFETY AND HYGIENE

Keep away from children. Wear protective glasses and gloves when handling (contains butyl rubber).

CLASSIFICATION

TRANSPORT

Not subject to transport regulations

COMPATIBLE MACHINES

ARCACLEAN C2 by ILSA
MULTIFLEX by ILSA
